Introduction

Lynphyl Oil & Gas Limited is an indigenous petroleum marketing and logistics company delivering reliable energy solutions across Nigeria and international markets. Our services span crude oil trading, refined product supply, petroleum haulage, vessel services, and technical support.

This Service Guide provides an overview of our offerings, indicative pricing, and terms of engagement.

Disclaimer: All prices are indicative and subject to change without prior notice due to market volatility, foreign exchange fluctuations, and regulatory directives.

Service Portfolio & Pricing (Indicative)

A. Petroleum Product Marketing & Supply

We supply petroleum products in bulk to retail stations, industrial clients, and corporate customers.

Product	Unit of Supply	Indicative Price (₦/Liters)	Notes
PMS (Premium Motor Spirit/Petrol)	33,000L Truck	₦630-₦680	Subject to ex-depot price
AGO (Automotive Gas Oil/Diesel)	33,000L Truck	₦900-₦970	Delivered Nationwide
DPK (Dual Purpose Kerosene)	20,000L Truck	₦750-₦800	For Household/Industrial Use
Jet A-1 (Aviation Turbine Kerosine)	Per Liter	₦800-₦950	Supplied to airports and Aviation firms

B. International Crude Oil Trading

We facilitate exports of Nigerian crude and refined petroleum products.

Product	Quantity	Pricing Basics	Notes
Bonny Light Crude Oil (BLCO)	1M Barrels+	Platts/Brent minus discount	FOB/CIF options
AGO/PMS (Export)	10,000MT+	Rotterdam Platts	Requires LC/SBLC
Jet A-1 (Aviation Turbine Kerosine)	500,000 Barrels+	Platts/Argus	Available via vessel lifting

Pricing is based on *Platts/Argus Benchmark* and subject to international trading terms

C. Haulage & Logistics Services

Our fleet of GPS-tracked trucks ensures safe and efficient delivery.

Services	Indicative Price (₦/Liters)	Notes
Depot to Lagos/ Western Nigeria	₦400,000-₦500,000 Per 33,000L Truck	Depending on depot
Depot to Eastern Nigeria (Enugu, Anambra, Abia)	₦750,000-₦900,000 Per 33,000L Truck	Distance surcharge applies
Depot to Northern Nigeria (Kano, Kaduna, Abuja)	₦1.2M-₦1.5M Per 33,000L Truck	Includes risk allowance
Dedicated Truck Lease (Monthly)	₦6M-₦8M Per Truck	Includes driver, insurance, GPS

D. Vessel & Marine Services

Services	Indicative Price (₦/Liters)	Notes
Vessel Charter (10,000 -30,000 DWT Tanker)	\$18,000-\$30,000 Per day (TCE)	Depending on size and duration
Ship-to-Ship (STS) Transfer	\$4-\$6 per MT	Location Dependent
Bunkering (Marine Fuel Supply)	\$650-\$800 per MT	Subject to port fees and clearance
Port Logistics Support	Case-by-Case Pricing	Includes customs and clearance

E. Technical & Support Services

Equipment Leasing (pumps, hoses, generators): ₦300,000 – ₦800,000/month

- Pipeline & Depot Support Services: Case-by-case pricing
- HSE Consulting & Compliance Training: ₦250,000 per session (10 staff max)

3. Terms of Engagement

- Payment Terms: 100% advance payment for petroleum products unless otherwise agreed (LC/SBLC for international trade).
- Delivery Timeline: 24–72 hours for local haulage; international supply as per contract terms.
- Quality Assurance: All products certified to DPR/NMDPRA standards.
- Risk & Insurance: Lynphyl ensures comprehensive cargo and third-party liability cover during haulage.

4. Disclaimer

Prices are strictly indicative and may vary daily based on ex-depot prices, international benchmarks (Platts/Argus), exchange rates, and regulatory policies.

Lynphyl Oil & Gas Limited reserves the right to adjust pricing without prior notice.

Lynphyl Oil & Gas Limited

Service Guide & Pricing Information

(All prices are subject to change without prior notice due to market fluctuations, exchange rate variations, and regulatory adjustments.)

1. Petroleum Marketing & Distribution

We supply high-quality petroleum products across Nigeria and international markets, ensuring consistent availability and timely delivery.

Products & Indicative Pricing (₦ / USD where applicable):

- Bonny Light Crude Oil (BLCO): Available upon request – market-linked pricing (FOB/CIF).
- Premium Motor Spirit (PMS – Petrol): From ₦720 – ₦750 per litre (retail/commercial supply).
- Automotive Gas Oil (AGO – Diesel): From ₦1,050 – ₦1,150 per litre.
- Dual Purpose Kerosene (DPK): From ₦820 – ₦870 per litre.
- Jet A1 (Aviation Fuel): From ₦980 – ₦1,050 per litre (bulk supply).

Minimum Order Quantity (MOQ): 10,000 litres for local deliveries. Export volumes available by negotiation.

2. Haulage & Logistics Services

Lynphyl operates a **dedicated fleet of petroleum tankers** complemented by our **Partner Hauler Program** (independent truck owners registered under our logistics platform).

Services:

- Nationwide petroleum product delivery (all 36 states + FCT).
- Real-time fleet monitoring & GPS tracking.
- Bulk storage & depot-to-station transport.
- Vessel chartering for international supply.

Indicative Pricing:

- Local Tanker Haulage (Lagos axis): ₦500 – ₦700 per kilometre.
- Interstate Haulage (outside Lagos): ₦700 – ₦1,000 per kilometre.
- Vessel Chartering: Starting at \$18,000/day (depending on tonnage and route).

3. Technical & Engineering Services

Providing end-to-end technical expertise for petroleum infrastructure. Services:

- Fuel station design, construction & maintenance.
- Tank farm setup and management.
- Pipeline integrity & maintenance solutions.
- Metering, calibration, and quality control.

Indicative Pricing:

- Fuel Station Setup (basic 4-pump): From ₦80 million – ₦120 million.
- Tank Farm Construction (10 million litres capacity): From \$18 million upwards.
- Pipeline Maintenance Contracts: Custom pricing (based on scope & length).

4. Environmental Solutions

Our Lynphyl Environmental Division ensures sustainability and compliance.

Services:

- Oil spill response & remediation.
- Tank cleaning & sludge management.
- Environmental Impact Assessments (EIA).
- Waste management solutions.

Indicative Pricing:

- Oil Spill Response (per incident): ₦5 million – ₦20 million depending on severity.
- Tank Cleaning (per 33,000-litre tanker): ₦350,000 – ₦500,000.
- EIA Report Preparation: From ₦4.5 million.

5. International Crude & Refined Product Trading

Lynphyl facilitates global trading of crude and refined products, with access to direct allocations.

- BLCO – Bonny Light Crude Oil (FOB/CIF).
- Jet A1 (Aviation Fuel).
- AGO – Automotive Gas Oil (Diesel).
- DPK – Kerosene.
- PMS – Petrol.

Trading Terms:

- Pricing benchmarked to Platts / Brent Crude Index + premium/discount.
- Contract size: 2M – 5M barrels (crude) or 50,000 MT+ refined products.
- Payment terms: Standby Letter of Credit (SBLC) / Documentary Letter of Credit (DLC).

Important Note on Pricing

All prices listed herein are indicative and may fluctuate daily due to international oil market dynamics, exchange rates, government regulations, and logistical factors. Lynphyl Oil & Gas Limited reserves the right to amend pricing without prior notice.

Lynphyl Oil & Gas Limited

Service Guide & Pricing Information

Head Office: 59A Muritala Eletu Way, Osapa London, Lekki, Lagos

About Us

Lynphyl Oil & Gas Limited is an indigenous energy company committed to providing reliable petroleum marketing, bulk distribution, logistics, and environmental solutions across Nigeria and beyond. Our operations are built on efficiency, safety, and trust, serving clients in all 36 states and the international energy market.

Our Services

1. Petroleum Product Marketing & Distribution

We supply high-quality refined petroleum products, sourced from both local and international partners.

Products Offered:

- a) Premium Motor Spirit (PMS / Petrol)
- b) Automotive Gas Oil (AGO / Diesel)
- c) Dual Purpose Kerosene (DPK)
- d) Aviation Turbine Kerosene (ATK / Jet Fuel)
- e) Bonny Light Crude Oil (BLCO)
- f) Low Pour Fuel Oil (LPFO)

Pricing (Indicative, Ex-Depot Lagos):

- « Petrol (PMS): ~~₦890~~ – ~~₦950~~ per litre
- « Diesel (AGO): ~~₦1,050~~ – ~~₦1,150~~ per litre
- « Kerosene (DPK): ~~₦820~~ – ~~₦900~~ per litre
- « Jet Fuel (ATK): ~~₦950~~ – ~~₦1,050~~ per litre
- « BLCO (International Sales): Negotiable per barrel (Platts indexed)

All prices are subject to change without notice, based on market conditions and regulatory adjustments.

2. Haulage & Logistics Services

We operate a hybrid haulage system using both company-owned tankers and **independent partner-haulers** under the Lynphyl Partner Haulers Program (LPHP).

- Fleet Capacity: 33,000L, 45,000L, and 60,000L tankers

- Pipeline integrity management
- Environmental impact assessments (EIA)
- Waste oil recycling solutions

Pricing:

- Spill Response: From ₦500,000 per incident
- Tank Cleaning: ₦250 – ₦350 per litre capacity
- Environmental Audit/EIA: From ₦3,000,000 per project

Terms & Conditions

1. All services require a valid contract or purchase order (PO).
2. Payments must be made in line with agreed contract terms (prepayment for fuel products, milestone billing for services).
3. Prices quoted are **subject to change without prior notice**, reflecting global oil market dynamics, exchange rates, and regulatory adjustments.
4. Logistics and haulage rates may vary based on fuel prices, route risks, and security considerations.
5. Lynphy Oil & Gas reserves the right to adjust pricing at any time.

Lynphyl Oil & Gas Limited

Service Guide & Pricing Information

Head Office: 59A Muritala Eletu Way, Osapa London, Lekki, Lagos

About Us

Lynphyl Oil & Gas Limited is a leading indigenous oil and gas company dedicated to delivering reliable energy solutions across Nigeria and beyond. Our core operations span petroleum product marketing, international crude oil trading, logistics and haulage, vessel services, and environmental solutions. We pride ourselves on integrity, efficiency, and innovation in serving clients across all 36 states of Nigeria and in global markets.

Our Core Services

1. Petroleum Product Marketing & Supply

- Premium Motor Spirit (PMS – Petrol)
- Automotive Gas Oil (AGO – Diesel)
- Dual Purpose Kerosene (DPK – Kerosene)
- Aviation Turbine Kerosene (ATK – Jet A1 Fuel)
- Bulk Fuel Storage & Distribution

Indicative Pricing (per litre – Ex-depot Lagos, subject to market fluctuations):

- PMS (Petrol): ₦750 – ₦820
- AGO (Diesel): ₦1,050 – ₦1,250
- DPK (Kerosene): ₦850 – ₦1,000
- ATK (Jet A1 Fuel): ₦1,100 – ₦1,300

2. International Crude Oil Sales

- Bonny Light Crude Oil (BLCO)
- Forcados Crude
- Qua Iboe Crude
- Global Export Facilitation (FOB, CIF & TTO arrangements)

Pricing:

- Indexed to Platts/Brent Crude benchmark with applicable discounts.
- Negotiated per contract with buyers.

3. Vessel & Marine Logistics Services

- Offshore vessel chartering (supply boats, tugboats, tankers)
- Ship-to-ship (STS) transfers
- Offshore bunkering and fuel supply
- Marine insurance and support services

Indicative Daily Charter Rates:

- Tugboats: \$3,500 – \$5,500/day
- Offshore Supply Vessels (OSVs): \$6,500 – \$10,000/day
- Tanker Vessels: Negotiated (based on DWT & route)

4. Haulage & Distribution (Partner Hauler Network)

Through our Lynphyl Partner Haulers Platform, independent truck owners can register and operate within our fleet system (similar to Uber for fuel delivery).

- Nationwide petroleum haulage (Petrol, Diesel, Kerosene, Jet A1).
- GPS-enabled tankers for real-time monitoring.
- Flexible leasing & per-delivery payment models.

Pricing (per delivery – Lagos hub reference):

- 33,000 litres (Full Truck Load – FTL): ₦1,000 – ₦2,000 per km
- 45,000 litres (FTL): ₦1,200 – ₦2,500 per km

5. Environmental & Technical Solutions

- Oil spill response & remediation
- Tank cleaning & sludge management
- Waste oil recovery & recycling
- Gas flaring mitigation technologies

Pricing:

- Tank Cleaning: From ₦250,000 (depending on tank size)
- Oil Spill Remediation: From ₦500,000 per site (scope-based)
- Sludge Disposal & Recycling: From ₦120,000 per truckload

6. Technical & Consultancy Services

- Energy project advisory
- EPC (Engineering, Procurement & Construction) services
- Regulatory & licensing support (NNPC, DPR, NMDPRA, NIPEX)
- Offshore and onshore field development support

Pricing:

- Consultancy Fees: ₦500,000 – ₦2,000,000 per engagement
- EPC Services: Quotation-based

General Notes

- **All prices are indicative and subject to change without prior notice** due to market volatility and exchange rate fluctuations.
- Final pricing is determined upon order confirmation, prevailing market rates, and client contract terms.
- Payment terms: Prepayment, bank guarantee, or LC (Letter of Credit) depending on contract type.

1. Crude Oil & Refined Petroleum Products Marketing

We specialize in the trading, supply, and marketing of crude oil and refined petroleum products to clients across Nigeria and international markets.

Products Offered:

- Bonny Light Crude Oil (BLCO)
- Premium Motor Spirit (PMS – Petrol)
- Automotive Gas Oil (AGO – Diesel)
- Dual Purpose Kerosene (DPK – Household & Aviation Kerosene)
- Jet A1 Aviation Fuel
- Liquefied Petroleum Gas (LPG – Cooking Gas)

Pricing:

- BLCO: Negotiable (based on Platts benchmark & buyer terms)
- PMS: ₦XXX per litre (ex-depot Lagos)
- AGO: ₦XXX per litre (ex-depot Lagos)
- DPK: ₦XXX per litre (ex-depot Lagos)
- Jet A1: ₦XXX per litre (FOB Nigerian terminals)
- LPG: ₦XXX per kg

Note: All prices are subject to market volatility, international benchmarks, and are **subject to change without prior notice**.

2. Haulage & Logistics Services

We operate a modern fleet of petroleum product tankers and also engage independent registered haulers through our Lynphyl Partner Haulers Program (LPHP) – a structured model similar to Uber for petroleum logistics.

Services:

- Nationwide trucking of petroleum products
- Bulk depot-to-retail station delivery

- Independent hauler integration & tracking system
- 24/7 GPS-monitored logistics

Pricing:

- Lagos Metro Delivery: ₦XXX per 33,000-litre tanker
- South-West Delivery: ₦XXX per 33,000-litre tanker
- Pan-Nigeria (all 36 states): Negotiable (based on distance, security, and product type)

3. Marine & Vessel Services

Lynphyl Oil & Gas provides comprehensive marine logistics and bunkering services to support offshore petroleum operations.

Services Offered:

- Vessel Chartering (Tankers, Barges, Support Vessels)
- Bunkering (Fuel Supply to Offshore Rigs & Vessels)
- Ship-to-Ship (STS) Transfer Operations
- Offshore Crude Lifting Services

Pricing:

- Vessel Charter: From \$XX,000/day (depending on vessel class & size)
- Bunkering: Market-linked + service fee
- STS Transfer: From \$XXX,000 per operation

4. Environmental & Technical Solutions

We ensure compliance with global environmental standards while providing technical solutions to the oil & gas sector.

Services:

- Oil Spill Response & Remediation
- Tank Cleaning & Waste Management
- Environmental Impact Assessments (EIA)
- Gas Flaring & Carbon Reduction Solutions

Pricing:

- EIA: From ₦XXX million per project
- Tank Cleaning: From ₦XXX per cubic metre
- Oil Spill Response: Negotiable (based on severity & location)

5. Consultancy & Strategic Advisory

We provide end-to-end advisory services for upstream, midstream, and downstream oil & gas investments.

Services:

- Crude Oil & Product Sourcing Advisory
- Regulatory & Licensing Guidance
- Market Entry Strategy
- Project Feasibility & Financial Modeling

Pricing:

- Consultancy Retainer: From ₦XX million/month
- Project Advisory: Negotiable (based on scope)

Payment Terms & Conditions

- All local transactions are in **Naira (₦)** unless otherwise stated.
- International crude oil & product sales are in **USD (\$)**.
- Payment options: Bank Transfer, LC (Letter of Credit), or Escrow.
- Prices are **exclusive of taxes, levies, and applicable charges**.
- **Prices are subject to change without notice** due to market conditions.

1. Petroleum Marketing & Supply

We specialize in nationwide distribution and international trading of petroleum products.

Products include:

- Premium Motor Spirit (PMS – Petrol)
- Automotive Gas Oil (AGO – Diesel)
- Dual Purpose Kerosene (DPK)
- Jet A1 (Aviation Fuel)
- Bonny Light Crude Oil (BLCO)

Pricing Structure (Indicative – subject to market conditions):

- Petrol (PMS): ₦680 – ₦720 per litre (bulk supply 33,000L minimum).
- Diesel (AGO): ₦900 – ₦1,000 per litre (bulk supply 10,000L minimum).
- Kerosene (DPK): ₦750 – ₦800 per litre.
- Jet A1: Market-based, average \$0.75 – \$0.95 per litre FOB Lagos.
- Bonny Light Crude Oil (BLCO): Price pegged against Brent Crude minus agreed differential (Platts reference).

2. Logistics & Haulage Services

We operate and coordinate a hybrid fleet consisting of:

- Company-owned tankers
- Registered partner-haulers (Lynphyl Partner Network)

Services:

- Nationwide fuel haulage
- Depot-to-station delivery
- Industrial & bulk-consumer delivery contracts

Pricing (Base Lagos):

- 33,000L Tanker Delivery within Lagos: ₦450,000 – ₦600,000 per trip

- **South-West Delivery (Ibadan, Abeokuta, Akure):** ₦650,000 – ₦850,000 per trip
- **South-East/South-South Delivery (Enugu, PH, Owerri, Uyo):** ₦1,200,000 – ₦1,500,000 per trip
- **Northern Delivery (Abuja, Kano, Kaduna, Jos):** ₦1,700,000 – ₦2,200,000 per trip

Note: Pricing varies based on distance, security risks, and product type.

3. Marine & Vessel Services

We provide bunkering, vessel chartering, and offshore logistics support.

Services:

- Marine bunkering (AGO, DPK, Jet Fuel)
- Vessel leasing (tanker vessels, barges, supply boats)
- Offshore storage & delivery

Pricing:

- **Marine Diesel (AGO for vessels):** Market-based, starting at ₦1,050 per litre (minimum 50,000L supply).
- **Vessel Charter (Coastal Tanker, 5,000MT – 30,000MT):** \$12,000 – \$25,000 per day depending on vessel size and duration.

4. Environmental & Technical Solutions

- Tank cleaning & maintenance
- Pipeline flushing & corrosion control
- Spill response & remediation
- Environmental impact assessments (EIA)

Pricing:

- Tank Cleaning (33,000L Tanker): ₦300,000 – ₦450,000
- Industrial Tank Cleaning (100,000L+): Negotiated based on site inspection
- Spill Response Team (mobilization fee): From ₦2,000,000
- EIA Services: From ₦5,000,000 depending on project scope

5. Value-Added Services

- Retail Station Supply Agreements (Fixed price monthly contracts)
- Industrial Supply Contracts (manufacturing, hospitality, aviation)
- PPP Partnerships with Government & NGOs for bulk fuel and infrastructure projects

Important Notice

- All prices are indicative and subject to market conditions, forex fluctuations, and regulatory adjustments.
- Prices are subject to change without notice.
- Final pricing will be confirmed in our Proforma Invoice prior to supply.

Lynphyl Oil & Gas Limited is committed to reliability, transparency, and sustainability in energy supply.
